*CX Ms Black Diamond 596F, another daughter of Black Diamond 36U out of Ms Brings Tracker 596U2. Low birth weight with good performance. She is very correct with lots of muscle but doesn't give up her femininity. One of the favorite Sires of the South Americans is Sundance of Brinks which has proven again to be worthy of his reputation. She sells at 14 months old and ready to breed to the Sire of your choice.
